INDEPENDENT FINANCIAL REPORT**

Scope

I have examined the financial statements for the financial year ending 31 December 2019 for the above mentioned. I have conducted an independent examination to express an opinion on them to the members of the organisation. My examination has been in accordance with Australian Accounting standards to provide reasonable assurance as to whether the financial statements are free of material misstatement.

My procedures include examination of evidence supporting the amount and other disclosures in the financial statements and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in Australian accounting concepts and standards and statutory requirements so as to present a view which is consistent with the Association financial and the result of its operations.

In my opinion the financial statements are properly drawn up so as to give a true and fair view of the organisation's financial affairs.
