

## **Principal's Report 25 November 2014**

### **Staff Update**

- Three teacher vacancies have been submitted to staffing. We are still waiting on the finalisation of a central appointment, however, we have filled one position through merit selection and are in the process of filling the other. Thank you to parents who have given up their time to participate in these processes.
- I have also supported Matt Jackman to take a relieving principal's position at Cropper Creek for six months commencing in January 2015.

### **School Enrolments**

- There is a variation in school enrolment figures from the last report. We are now hovering between 15 and 16 classes. All planning at this point is complete but provisional and will be finalised at the beginning of next term.

### **Technology Update**

- The computer room has now been vacated and the new classroom is waiting to be installed. Please see request attached for resources for the library, new classroom and extra Kindergarten room. The furniture will be delivered during the summer holidays.

### **Maintenance**

- Many thanks go to Andy and Inge Collins, Christian Hartley and our super dads who built the deck around the camphor laurel tree and created the new garden.
- The Preschool roof will be replaced by a new colour bond roof over the summer holidays.

**Thank you to the P&C for a great year of fund raising and support.**

**Wishing you all a Merry Christmas and a Happy New Year.**

**Ellie Moore**

**Principal**
